St Andrews

SAMPLE

St Andrews is a town full of history and legend and with the oldest university in Scotland and more than 500 years of ruins, there's no shortage of ghosts and spooky tales. If you enjoy a good ghost story, there's plenty at St Andrews to keep you busy.

Although you'll find plenty of ghostly myths around the town, St Andrews' Cathedral is brimming over with apparitions and sightings of other worldly visitors.

The most famous ghost to walk the grounds, the White Lady. Just east of the cathedral's east gable stands a wall-tower two storeys high; the White Lady is often seen gliding soundlessly near here. Although she's never caused harm to visitors, historically locals had avoided visiting for fear of seeing her late at night.

Visit a darker side of this charming seaside town.
